Your username and password for GitHub account

Username

- Username may only contain alphanumeric characters or single hyphens, and cannot begin or end with a hyphen.
Hanikha Ratnayake → Hanikha-Ratnayake
- (space between the username is not allowed)

Password

- Create a strong password that is easily memorable by you.
- As you are going to create this account for your university Gsuite mail you can use your Gsuite password for this as well. (recommended)

Use a password manager or note down the username and password somewhere that is only accessible by you.
